

## COVID-19 UPDATE

With opening the QLD border to other states, spike in number of cases in VIC and opening pubs and clubs there is a good chance we will see a spike in number of QLD cases.

***As proactive measures and safety of our patients and staffs our practice policy is as below:***

1. We only see patients of our practice and won't accept any new patient from other states or travellers till further notice.
2. We prefer Telehealth as primary method of consultation unless we advise you or not possible over the phone.
3. If you have any cold, flu, respiratory symptoms, cough, fever, been recently to other states or overseas please advise receptionists before booking and **do not present** to practice.
4. For above patients we arrange Telehealth, send pathology form for Covid and viral swab done in Movie World car park and result will be ready in 24 hours. If you wish to see a doctor physically or you are unwell you can present to fever clinic at Gold Coast Hospital or respiratory clinic in Hope Island Medical centre in Hope Island.
